Here are some ways for you to take worship home with you this week!

📖 **Memory Verse** (review at least once a day):

“Let’s go to Bethlehem and see this what God has revealed to us.” ~Luke 2:15b

🔍 **Digging Deeper** 🌀

Read: Luke 2:8-20

Reflect: The night when Jesus was born in Bethlehem, the shepherds were following their own schedule. The angels showed up and told them something that caused them to change their plans. Christmas is about God showing up and disrupting your plans. What plans of yours is God disrupting this year? What do you need to do to not miss what God is up to?

Discuss: How does Christmas make a difference in your life? What would it mean to live celebrating Christmas in the new year? Make your New Year’s resolutions on Christmas!

Activity: Do something unplanned this Christmas, or this week, that serves God by serving others.

Prayer: Pray for Jesus to disrupt your plans. Invite God to meddle in your life!

Special Delivery

On Christmas morning we all gather together and open presents. Some gifts are small and some are very large, some are more expensive than others. But have you ever thought about how those presents got under your tree in the first place? Someone went to the store, bought the gift, brought it home and wrapped it. But how did your present get to the store? Maybe your gift was shipped directly to your house. Where did it come from? Take one of your gifts and see if you can track where it was manufactured and how it ended up in your hands. Now think about the journey Jesus took from heaven to earth. How did he end up in Bethlehem? How did he come to live in your heart? Prayer together, thanking God for the special delivery of Jesus at Christmas.
