***Here are some ways for you to take
worship home with you this week!***

📖 **Memory Verse** (review at least once a day):

“And now, little children, remain in relationship to Jesus.”

-1 John 2:28a

☞ **Digging Deeper** ☞

Read: 1 John 2:12-29

Reflect: You are anointed by God! That means God has chosen you and has a special purpose for you. You have God’s Word and Spirit to guide you in your calling. What have you been hearing God’s Word and Spirit say to you recently?

Discuss: Identify in each other gifts, abilities and passions you see in each other. How might knowing these help you discern what God wants you to be doing?

Activity: Consider a Christian you respect. Identify that person’s gifts and deeds. Identify what you understand God’s work for them has been. Draw connections between their gifts/abilities and their work. Consider how this can help you discern God’s calling on your life.

Prayer: Profess your faith in Jesus as the Christ. Ask God for His Word and Spirit in your life. Ask Him each day this week what His calling is on your life.

👨 **With Kids:**

Read the Label

How can you tell if something is bad for you? One fool-proof way is to read the label. Every packaged food item sold in stores has to tell you what they used to make it. The general rule is this: if you can't pronounce the ingredients, it's probably bad for you. Try it at home and see which foods you should probably avoid.

What About Jesus?

How can you tell if someone is a good teacher or pastor? You have to look at the ingredients. The general rule can be found in 1 John 2:22. Read the verse with your family. Pray together and thank God for the sending his Son to save us from our sins.
