Here are some ways for you to take worship home with you this week!

📖 Memory Verse (review at least once a day):

“Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is - His good, pleasing and perfect will.” Romans 12:2

⌘ Digging Deeper ⌘

Read: 1 Corinthians 1:18-25

Reflect: What do you find confusing about salvation coming through Jesus' death and resurrection? How is it difficult to share with others? How does seem like foolishness to human wisdom?

Discuss: Where do you see crosses used in everyday life? What do they communicate? How is the message of the cross offensive to, and often “missed,” by our culture?

Activity: Take your white flags and hang it somewhere in your home. When you see it, whisper a prayer thanking Jesus for earning your salvation and committing to give yourself up for Him.

Prayer: Pray the C.R.O.S.S. Prayer

👨 With Kids:

Proud to be a Fool:

April Fool's day is well known as a day to play pranks and jokes on your friends. When someone falls for a trick, they look like a fool. Jesus died on the cross as part of God's plan...this seemed pretty foolish. To many people Jesus looked like a fool. How did Jesus play a trick on death? How can victory come through Jesus' defeat? How is God's plan better than our own? When we tell others about the Easter story, people might consider us fools. How can we show others that we are proud of what Jesus did for us? Pick a Gospel and read through the Easter story with your parents (Matt. 26-28; Mark 15-16; Luke 22-24; John 17-20). What is your favorite part? How can you live out that part in your life?
