***Here are some ways for you to take
worship home with you this week!***

📖 **Memory Verse** (review at least once a day):

“Devote yourselves to prayer, being watchful and thankful.”

Colossians 4:2

🔍 **Digging Deeper** 🌀

Read: Luke 11:1-2 (Be sure to read the notes in your Bible on these verses)

Reflect: Why is it important that we get to address the Almighty God as "Father?" What does this mean to you?

Discuss: God's Kingdom is breaking into our world. How does our world need to be more like heaven? What can you do about it?

Activity: Throughout the day, say "Holy is your name, O God" each time you see something beautiful or something good happens.

Prayer: "Our Father in heaven: holy be your name! Your kingdom come, your will be done, on earth as it is in heaven." Amen

👨 **With Kids:**

Learn to Pray

The Gospel of Luke tells us that as Jesus was finishing up praying one day, his disciples asked him how they should pray. This is a weird question because certainly the disciples were familiar with prayer already. They had been praying to God their whole lives. Why do you think they asked Jesus how to pray? What do you think they were doing wrong?

Our Father

Jesus makes it clear that God is our Father and we are his children. What are some things that Father's do for their kids? Ask your parents to do an activity with you (that does not include a screen). Before and after, say a prayer together thanking God for being your heavenly Father and for giving you your parents.
