

CHURCH@HOME

Here are some ways for you to take worship home with you this week!

 **Memory Verse** (review at least once a day):

“So we are ambassadors who represent Christ. God is negotiating with you through us. We beg you as Christ’s representatives,
‘Be reconciled to God!’ ~2 Corinthians 5:20

Digging Deeper

Read: Exodus 32:7-14

Reflect: In what ways do you see people close to you (and your heart) violate God’s plans, live wrong ways, and make God angry?

Discuss: What does God want us to do when we see others around us not following God’s way of life or plan in their lives? How is praying for them the most important activity? Share a story when you prayed for someone, and things turned better in their lives.

Activity: Make a list of people to pray for specifically. The first day, write down one person and pray for that person specifically. The next day, add another person, and pray for both people. The third day, add a third person, and pray for all three. Continue for at least a week.

Pray: Father, you are good. I need your help. So do they. Thank you. Amen.

With Kids:

Discuss: Look around your room. Consider what you have. Do you have a lot of toys? Clothes? Collections? Are there things in there that you have not touched in the last month? Are there things that you no longer use? Most of us have so many things, we can't even use them all. See if you can pick out at least one item (that is not old or broken) to donate to the new family shelter. Do you earn an allowance? How could you use your money to help others? thanks Say a prayer for those families and ask God to show you other ways you can help.
